

## PRE-MARITAL WORKSHOPS

Offered by  
*Training and Counseling Center at St. Luke's (TACC)*

Since 1976 TACC has been offering pre-marital counseling to couples who are planning to be married. Additionally, TACC counselors have provided couple's therapy to hundreds of couples who have sought to enrich their marital relationship. Pre-marital workshops are designed to help couples look at themselves within their relationships and to raise important questions related to building the covenant of marriage. All workshops are limited to 15 couples. Please note that the workshop is open to all denominations. Upon receipt of payment for registration, each couple will be mailed a brief questionnaire and a booklet entitled "Preparing for the Celebration and Blessing of a Marriage" by The Rev. Dr. John Westerhoff. The questionnaire will need to be filled out prior to the workshop.
